

Moreton Hall

A-Z Quick Guide for New Pupils and Parents

School Ethos

At Moreton Hall we pride ourselves on achieving outstanding academic results whilst ensuring that our pupils develop the broadest range of skills.

The school's holistic approach to education, engendered in a predominantly boarding environment allows all individuals to fulfil their potential and to develop skills and qualities to enter the adult world with confidence.

Whether joining our Prep or Senior School, everything is shared; ethos, approach, facilities and of course our expert teaching staff.

You can read more about Moreton Hall's family of schools on the school website:

Business at Moreton

Moreton Means Business™

We're pushing boundaries, extending enterprise beyond the curriculum and across all year groups to engage and encourage the entrepreneurs of tomorrow's world.

The school's unique set of student run businesses - Moreton Enterprises - encourages an entrepreneurial spirit in pupils from Moreton Prep through to the Sixth Form. Read more about Moreton Enterprises on page 16.

In keeping with the school's strong business focus, Moreton Hall's annual Business Lunch is a prestigious event that goes from strength to strength. A staple in Shropshire's business community calendar, the Business Lunch is attended by hundreds of local, regional and national business men and women.

Our most recent speakers included Richard Walker (Managing Director, Iceland Foods), Joanna Swash (Group CEO, Moneypenny), Georgie Cleeve (Founder, OSKIA) and Charlie Gladstone (Entrepreneurial Creative).

Bus Routes

We currently operate bus routes from Broxton, Chester, Corwen, Shrewsbury Welshpool and Whitchurch, however these are not prescriptive. If you are interested in using our transport service and wish to enquire about a different location, please contact The Transport Manager on **01691 773671** or **transport@moretonhall.com**.

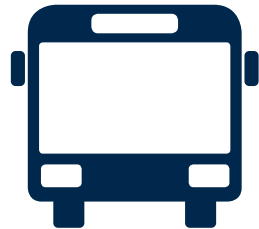

We are continually adding new routes and our bespoke service can be tailored to suit parents.

You can find more information on the routes and pick up times on the school website:

www.moretonhall.org/School-Buses

Parents are required to complete an online transport booking form at least one week in advance.

Routes have dedicated drivers who keep in contact with parents in case of any disruption to the service.

Charities

Moreton Hall has an active Charities Team that is run by the pupils and raises funds each year for different causes through a range of activities. Activities range from bake sales and theme nights to bingo events. Charity events, such as the annual Curry and Quiz night, are arranged for parents too.

C-D

Co-Curricular

The Co-curricular programme at Moreton Hall is designed to compliment the academic curriculum as well as providing opportunities for pupils to develop new skills and talents.

A vast range of activities is offered and is reviewed each term by the Assistant Principal Co-curricular thus ensuring a vibrant, balanced and organic range of activities that reflect pupil interests and truly enrich beyond the classroom. The Activity programme is made up of five segments: #MoretonContributes, #MoretonCreates, #MoretonDiscovers, #MoretonExplores and #MoretonLeads.

Co-curricular activities range from The Debating Society, Model United Nations, Charities, Journalism, Rowing, Show Choir, Drama, Yoga and Pilates. A full list of activities can be found in the Co-curricular brochure.

Chargeable activities include Horse Riding, Ballet and Spoken English. Electronic Forms are sent out before the start of each term and should be submitted at the start of the term; terms and conditions apply.

Confidentiality Policy

The safety, wellbeing and protection of our pupils at Moreton Hall are the paramount consideration in all decisions staff at this school make about confidentiality.

It is an essential part of the ethos of Moreton Hall that trust is established to enable all pupils, staff and parents to seek help both within and outside the school, and minimise the number of situations when personal information is shared to ensure pupils, staff and parents are supported and safe.

The full Confidentiality Policy is available on request from Louise Walker on **01691 773671** or **walker@moretonhall.com**.

Counselling

At Moreton Hall we take the health and wellbeing of your children very seriously. For those families who feel that their child would benefit from speaking to a counsellor, we are fortunate that we have counsellor Jo who comes into school each week.

For further information and for details on pricing please email the Health Centre:

health@moretonhall.com

Curriculum

Moreton offers a varied and balanced curriculum which allows pupils to achieve their potential in a stimulating and supportive atmosphere. Careful attention is paid to the needs of the individual pupil and wherever possible, a tailored programme will be created to stretch the most able or support the least confident.

Sample timetables, course guides and more information can be found on the school website: www.moretonhall.org/Curriculum

Divisions

Every pupil in the school is placed into one of four divisions; this enables each person to participate and win points in inter-divisional competitions.

The Divisions are called **Calvert**, **Vincent**, **Norton** and **Roberts**. Each is named after an influential member of Moreton Hall's history.

The Captain and Vice Captains of each Division are senior positions of responsibility. At the end of the year the Division with the most points will win the Divisional Trophy.

Drama

Drama at Moreton offers an array of opportunities for pupils to gain more insight into the theatrical world and the way in which it operates. Drama is not only a compulsory part of the curriculum up to Year 9, but also a very popular subject at GCSE and A Level.

www.moretonhall.org/Drama

Moreton's Face2Face Performance Academy, located in The Holroyd Community Theatre, provides pupils with expert teaching in dancing, singing and acting whilst building their confidence and having fun!

E-H

Enrichment

Enrichment is central to the Moreton Hall way of life. Developing thinking skills, sparking intellectual curiosity and developing interpersonal skills and qualities help pupils to become better learners. In addition to the provision made through the extra-curricular activities, there are also four main societies:

Bronwen

An eclectic mix of lectures and trips which punctuates the academic year.

Barbirolli

A Music Society that is open to all musicians from Remove to Upper Sixth and celebrates the high standard of music at Moreton Hall.

Magna Carta

A pupil run group that meets weekly to discuss politics and current affairs.

Jenner

A Medical Science Society established and run by the Sixth Form, for pupils hoping to pursue a career in every field of medicine.

Model United Nations

A debating activity that simulates the real United Nations.

In addition there are a whole host of societies covering a broad range of interests. More detail on each of these societies can be found in the Academic Enrichment brochure and online:

www.moretonhall.org/enrichment

Environment

Moreton Hall is proud to be an Eco-School and has been awarded a Green Flag by the Eco-Schools programme each year since joining the initiative. Working with the School's Management, the pupil led Eco Team map out the best way to achieve their sustainability plan for the year, with each year focusing on a different area. Activities have ranged from planting cherry trees through to enhancing our recycling.

Health Centre

The Health Centre is staffed by three fully qualified nurses and visited twice a week by our school General Practitioners, both of whom are female. All boarders are registered with the school doctors, based at Caxton Surgery, Oswestry. Health Centre staff are always available to pupils, should they require medical treatment, guidance or advice.

Should you wish to contact the Health Centre at any time the Sister on Duty may be contacted via the direct Health Centre Line, **01691 776032** or alternatively on health@moretonhall.com

The school is attached to a local medical practice for access to GP surgeries.

House Regulations

These are displayed in the houses and in the House Handbook, and pupils are expected to acquaint themselves with these and adhere to them.

ICT

Moreton Hall provides WiFi throughout the school as well as wired ethernet for devices that still have this capability. We take the e-safety of our pupils and staff very seriously, and we strongly recommend parental involvement in helping our community to stay safe online. Advice and recommendations for parents are provided on the Parental Firefly pages, and this is flagged up to parents through the House weekly newsletter as well.

Internet Acceptable Use Policy

The internet and other related information technologies are powerful and rapidly developing tools, opening up new educational opportunities for everyone.

The Internet Acceptable Use Policy sets out the current policy on each aspect of the use of technology in school at present, but reserves the right to change it immediately as any new issue is identified. In essence, it serves to warn of the many potential risks and mistakes that young people can make and how to avoid them through knowledge of safe, sensible and responsible use of the internet.

The full Internet Acceptable Use Policy will be sent to all parents/guardians, and is to be signed by the pupils and returned.

Mentoring and Ambassador Programme

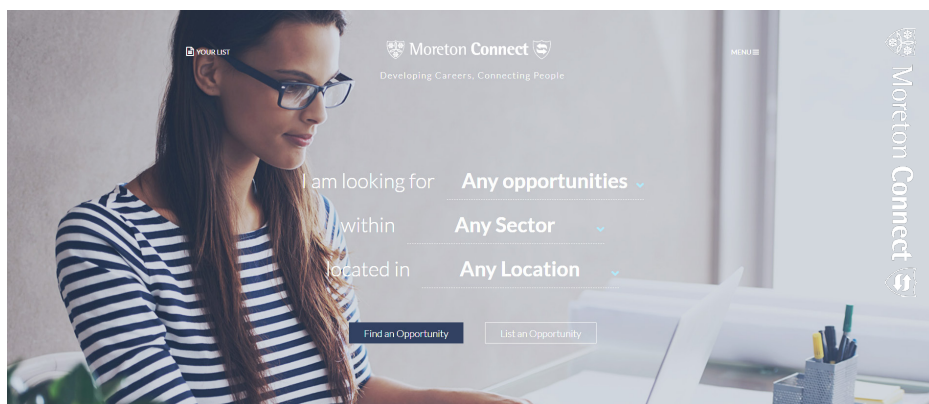

All pupils will have an opportunity to become a Wellbeing Ambassador for their peer group. These Wellbeing Ambassadors will work with the Lower Five and Lower Sixth House Mentors to reinforce strong links between all our pupils. Mentors and Ambassadors are a key part of promoting our values of belonging, trust and respect within our community.

Moreton Connect

This unique, online network enables Moreton pupils to connect with Old Moretonians, parents and partner businesses to access careers advice and other work related opportunities.

- Mentoring
- Work Experience Placements
- Internships
- Job Vacancies

Our current students and recent leavers are equipped with the best opportunities to access quality work experience placements, internships and work shadowing experiences, as well as giving them the opportunity to listen to talks about career paths in a variety of sectors.

To find out more visit our website: www.moretonconnect.com

“Work experience is invaluable to young people whether it helps to cement a long-held ambition to join a certain profession, or confirms that a career path is absolutely not right. It is vital when narrowing down career path options and planning for further education.”

Moreton Enterprises

Moreton Enterprises is a unique business venture which was established at the school 30 years ago.

Our Enterprises Centre houses retail outlets (Tuck, Boost and Elements) selling a range of stationery, everyday toiletry products, gifts, smoothies and occasional sweet treats. There is an Innovations team providing leisure wear. An Events team also organise events and charity fundraising activities.

We operate a cash or debit/credit card payment system, and spending is at the discretion of pupils and parents.

Moreton Hall Foundation

The Moreton Hall Foundation looks at all areas of school life to identify projects which enhance the Moreton experience for all pupils. Big or small, the projects range from large capital projects to those covering smaller educational needs.

Capital developments that the Foundation has funded include the Centenary Science Centre, the Sports Pavilion and The Holroyd Community Theatre, which provides pupils with direct access to professional drama and theatre performances. Another major focus of the Moreton Foundation is to provide much needed bursaries to talented and exceptional pupils who in turn contribute to Moreton life.

The overarching aim of the Foundation is to support the continued growth and success of Moreton as one of the top national senior schools. In order to do this, the Foundation relies on the commitment and help from its supporters: parents, past parents, Old Moretonians and Friends of Moreton.

Music Making

Tuition

Tuition can be arranged in all orchestral instruments as well as percussion, piano, guitar, harp and singing. We also offer individual or group Music Theory lessons and aural and musicianship lessons. Pupils have the chance to have a free trial lesson, on the instrument of their choice.

Music examinations are encouraged, but are certainly not compulsory. All examination syllabuses and boards are explored by pupils (e.g. ABRSM, Trinity and London College), including the new Performance and Digital Grade. It is worth noting that successful Grade 6, 7 and 8 pupils gain valuable UCAS (University & College Admission Service) points that will support their application to further education.

Musical Opportunities

Why not become a member of North Shropshire Ensembles which includes the Training Orchestra, Schools' Chamber Orchestra, Schools' Wind Orchestra and String ensembles?

- Prep Chamber Choir
- Senior Chamber Choir
- Show Choir
- Instrumental and vocal ensembles tailored to the interests of the pupils
- Lady Barbirolli Society
- Support in auditioning for National Youth Ensembles and Junior Music colleges

To find out more, please visit:

www.moretonhall.org/Music

Old Moretonians

Your connection with Moreton doesn't stop once you leave.
You become an Old Moretonian!

The Old Moretonian Association looks after 2,200 OMs all over the world, making sure that you stay in touch with your friends and the school by organising exciting events, reunions, newsletters, and business networks. Moreton Connect offers OMs access to jobs, work placements, mentoring and careers advice - all provided by other OMs.

If you would like further information about the OMA, drop into the OMA office or contact the OMA Secretary at **oldmoretonians@moretonhall.com**

P-R

Parents' Meetings

Parents' meetings are held throughout the year both in person and online. Parents and guardians are invited to meet their children's teachers to discuss their progress. Parents are, of course, always welcome to come to school at other times if they are unable to attend the Parents' meeting. All meetings will be noted on the termly calendar, which can also be found on the school website:

www.moretonhall.org/Term-Dates

Parent Portal

All parents and guardians have access to the school Parent Portal. A Level and GCSE examination results will be available on results day on the iSAMS Parent Portal: **www.moretonhall.org/Parent-Portal**

Please note, due to data protection rules, Upper Five and Upper Sixth pupils must grant parents/guardians access to their examination results. Pupils will be shown how to do this.

Pastoral

As Moreton is still a relatively small school, there is a family atmosphere and outstanding pastoral support. The pupils are in a happy, busy, nurturing environment with their friends and with caring adults 24 hours a day.

Helpful guides for parents on supporting their children through the turbulent years of adolescent life, can be found on the parent's section of the school website:

www.moretonhall.org/Pastoral

Personal Devices

Pupils may bring personal wireless devices including Smartphones, a Laptop/Chromebook and Tablet computers to school for educational purposes. Responsibility to keep the device secure rests with the pupil. It is recommended that protective cases are used and devices can be physically easily identifiable. Each house has their own policy for the use of these devices and they will be able to advise further on contact.

Prefects

School Prefects and Head of House are appointed by the Principal at the end of the Spring term in the Lower Sixth year. Prefects have a range of responsibilities and are ambassadors for the school. The Head Prefect and Deputies are selected from the Prefect body.

All Upper Sixth students will have an opportunity to take on a role of responsibility in their final year.

Pupil Complaints Procedures

If a pupil believes that sanctions have been imposed unfairly or if they have any other cause for complaint, then they should seek advice from an adult in school whom they think can help them. They may, however, seek the advice from an adult who is independent of the school - posters are displayed on house notice boards with the relevant contact numbers for external support.

The full policy can be found on the school website: www.moretonhall.org/Policies

Residential Trips

Throughout their time at Moreton Hall, pupils have the opportunity to go on residential trips, outdoor education visits and curriculum-related trips. These enrich the experiences of pupils and develop their personal qualities and life skills including leadership, communication and resilience.

S

Safeguarding

The safety and welfare of all our pupils at Moreton Hall are our highest priorities. Moreton Hall's Safeguarding Governor is Duncan Murphy and the Senior School's Designated Safeguarding Lead is Abi Plowden (plowdena@moretonhall.com).

Moreton Hall's Child Protection and Safeguarding Policy can be found on our website: www.moretonhall.org/policies

School Timetables

The school day varies depending on the year group and the subjects a pupil studies. By the Sixth Form, students take much more responsibility for managing their own time.

Tuesday afternoons for Remove and Lower Four and Wednesday afternoons for the rest of Senior School is dedicated to sport. Homework/Prep is scheduled into the timetable both during the day and after school. Day pupils are free to leave after lessons at the end of the day or to stay for supper and take part in activities at no additional charge.

Spoken English

Many pupils in the Senior School are enrolled in a continuous programme throughout the school to support their confidence and ability to effectively engage in public speaking. Spoken English is taught in small groups of 3 – 4 pupils. In Lower Sixth all students have lessons in Spoken English leading to their Grade 8 assessment in Speech which develops effective communication skills and confidence. This award also provides valuable UCAS points for university entrance.

In addition to E.S.B. work, they can participate in Speech and Drama Festivals as well as Public Speaking and Debating competitions. This gives all pupils the opportunity to build confidence in presentation skills.

www.moretonhall.org/Spoken-English

Sport

Moreton Hall's approach to sport ensures we provide sport, fitness and wellbeing for all pupils - whatever their sporting ability. Alongside our inclusivity, we run our 'Dedicated Athlete Programme' for aspiring sportspeople, providing a high standard of opportunities for them to achieve the best level they can.

All pupils have the chance to experience the core sports during specialised games sessions, and we have a full schedule of matches as well as key county, regional and national level tournaments. In addition to this we also offer more diverse opportunities for pupils to take part in other sports and fitness related exercise, as well as providing divisional competitions to all pupils to allow them the opportunity to compete at varying levels.

Sports include, but are not limited to:

Lacrosse, Hockey, Cricket, Tennis, Netball, Athletics, Golf, Fencing, Squash, Swimming training and recreational, Aqua Aerobics, Strength & Conditioning, Pilates, Yoga, Rowing, Shooting and Archery.

Note

Start of term date indicates the day on which boarders return. Day pupils return the following day in time for registration. Pupils are not expected to return to school more than 2 hours before the published start time without prior agreement with the Houseparent. All dates more than two terms in advance are provisional.

Tutorials

Every pupil has a Tutor who oversees their academic and pastoral progress. Tutees meet with their Tutor on a Tuesday and Thursday at 8:25am; they also have a one-to-one tutorial during the week. The Tutor works closely with the Houseparent and is also another point of contact for parents.

Uniform and Sixth Form Dress Code

The uniform aims to be smart, comfortable and practical whilst providing the pupils with a sense of identity. Sixth Formers have a dress code but no set uniform. It is expected that all pupils take pride in their appearance and adhere to the uniform/dress code.

Please visit the school website for further details: www.moretonhall.org/Uniforms

V-Y

Virtual Learning

The school uses Firefly as its Virtual Learning Environment which is full of resources supporting all subjects, as well as careers information, policies and advice for pupils. All prep is set on Firefly in the Senior School, which can be accessed via a website and an app so you can easily keep a track of your work and resources to support you. Parents also use Firefly for resources to support their children, and to access reports and assessments.

Weekend Activities

'A' and 'B' Weekends

You will see reference made to 'A' and 'B' Weekends throughout the School Calendar, Weekend Activities Booklet and also on the timetable. This relates to the school timetable and the lessons to attend on that particular weekend.

Whilst we do not wish to lose our flexibility, we do feel that to get the best out of Moreton it is essential for pupils to join in as many weekend activities as possible.

Weekend Leaves

Pupils must give their Houseparent due notification of their leave requests as specified in each house.

Shopping leaves, from Lower Five upwards are at the discretion of the Houseparent and pupils must travel in groups. Written permission from parents/guardians is required for any leave involving travel on public transport alone, after dark, or an overnight stay, shopping trips with friends etc.

Wellbeing

Wellbeing is promoted through many areas of Moreton life such as:

Wellbeing Wednesday: when our assembly and house activities reflect important themes on wellbeing. We have introduced sessions of mindfulness and meditation as part of our assembly programme.

Talk to Talk sessions are provided by our Nurses and provide an opportunity for pupils to drop in and talk about any issues affecting them.

We run a varied programme of pastoral talks for parents and workshops for students from visiting speakers. Our themes have included screen free days, healthy eating and having a positive body image.

Personal, Social, Health and Economic Education (PSHEE).

Life Skills: an essential part of the all round education at Moreton Hall. Sixth Form students have a formal programme of seminars, discussion groups and practical sessions aimed at preparing students for life after school. Important themes include resilience, managing stress, self defence and healthy relationships.

Of course Moreton Hall, like all schools, offers a broad and varied curriculum - Academic subjects, Sport for All, Art, Music and Drama - yet it is the personal, nurturing and supportive approach of all our staff members which truly enhances our pupils' wellbeing.
